# About Us

## About Us

Tsingda is a group company, specialized in furniture R&D, manufacturing and supply service.

We have been committed to the original design and sofa production process, search and development. We have established a comfortable and aesthetic sofa production system, serving each of our partners;

Our value is not only to make high-quality sofa, but also to create and output a new service. We serve excellent in all walks of life to achieve new way of working and a relationship of assistance, and partners together to create a unique style of space for customers.

# Sofa Space

# Sofa Space ES01

The rhythmic arc lines delineate the artistic shape of the product, and the delicate materials enrich the touch of the finger-tips, presenting an artistic aesthetic feeling; The high-grade brownish gray is fashionable and has a high sense, and enriches the hierarchical effect of the product; Precipitation is elegant and full of changes, making the office space full of rhythm.

## Sofa Space ES02

The overall design of the product gives people a simple, light and extra-simple atmosphere, abandoning cumbersome gant style of modeling design is full of high-level feeling and and modern. Both the control of product design elements and the selection of materials have intangible elegance, reached the standard of excellence. The material surface is delicate and soft, making people feel warm and comfortable; The structure is firm and people can enjoy it.

## Sofa Space ES03

After seeing the bright and bright scenery, return to a color matching visual sense full of natural breath, and exchange a quiet and primitive time for this busy work. The combination of green tones makes the whole office space show a fashionable and elegant atmosphere, outlines the implicit and flexible beauty of office furniture, and creates a comfortable and comfort-able office scene.

## Sofa Space ES04

The art of office is always hidden in the details of office furniture design. Under the collision of simple colors, simple lines and excellent workmanship, office furniture has more tension and imagination space, giving people a natural and comfortable feeling. The delicate leather shows a flowing aesthetic feeling with the movement of light, and the high-grade metal material.

## Sofa Space ES05

The delicate leather shows a flowing aesthetic feeling with the movement of light; The dark green tone creates a quiet space atmosphere, combined with the high-grade metal material, adding the urban light luxury atmosphere; The whole is noble and elegant, making the space simple, atmospheric and aesthetic. The delicate lines are laid on it, and the blending levels of materials are rich, harmonious and orderly; The precipitation is elegant, full of changes, and the space is full of rhythm. Suitable for modern simple, light luxury and other popular styles.

## Sofa Space ES06

With an extreme elegant style, the lines are round, full, smooth and beautiful, drawing out the implicit and flexible beauty of the furniture, giving people a comfortable feeling. The spacious space makes the rest more comfortable, and the soft and delicate leather highlights the fashionable breath. The tone is pure and quiet, which can better meet your office needs.

## Sofa Space ES07

Simple design, skin friendly texture, delicate details of each space, light and shadow mapping, dancing in the office space. The sofa with three seats and one seat is elegant with light colored tea table. It is accompanied by book and tea and has a calm mood. The pleasant and comfortable whole injects fresh and pleasant atmosphere into the office space, and the simple and non redundant lines crisscross, presenting a leisurely office taste.

# Sofa Space ES08

The full and smooth curves shape the integrity of the product shape. The curves of different spaces are Fashion interspersed with rich and strong visual layers, and the aesthetic feeling becomes concrete. With the black tone,Contracted it brings a stable and appropriate psychological feeling, dissolves the psychological Space floating feeling,and creates a quiet and rational office atmosphere.

## Sofa Space ES09

The uniform light color makes the product more integrated. The classic light color is a gentle fashion interpretation and lays an elegant main tone;The details can stand the scrutiny and taste,showing the overall neatness and delicacy.Leather and metal materials collide with each other, reducing the sense of volume Space and improving the lightness, vitality and advanced sense of the product.

## Sofa Space ES10

Simple shape design, smooth line outline, through the harmony of color and material. The pursuit of beauty and quality takes place in details. Perfect details creation and easy office have never been so close. Delicate angle to take care of every tiny detail, every place is constant-ly improving.

## Sofa Space ES11

Art and design are rooted in the same land. There are faint fragrance of flowers in the office space, ethereal light and shadow flowing in the office furniture, and poetic space embracing us every day. For the use of Lines and materials, we have been careful to grasp, we have been looking for new innovative design and expression of office sofa, as far as possible to transform its abstract beauty into concrete reality, and strive to reflect different structural beauty from every angle, and perfectly embody the fashion taste.

## Sofa Space ES12

It is our consistent pursuit to have an office environment with a sense of fashion and art. The perfect combination of fashion elements and exquisite beauty reflects the extraordinary office experience. Elegant color and gentle texture, like seeing the color of dream, summarize the comfort and perfection of modern office into a simple and elegant, which is treasured in the gentle office space.
